May 4, 1852.

Dean Suns: In justice to Dr. Hampton's Vegetable Tincture, I wish to leform you that I was taken sick on the 3d day of January last, with an affection of the stomach, howels, and kidneys. I was attended by four eminent physicians for more than two months—all to little or no effect. Had some knowledge of the great virtue in Hampton's Tincture from one bottle which my wife had taken two years since.

ture from one bottle which my wife had taken two years since.

I came to the conclusion that I would take no more medicine from my physicians, but try the Tincture; and I am happy to inform you I had not taken it two days before I felt its powerful influence upon my stomach. I have continued using the Tincture, and am now able to leave my room, and can eat any common diet without much inconvenience or pressure on my stomach.

The afflicted or their friends are daily visiting me, to learn of the great virtue there is in this Tincture of Hampton's. I expect to send you several certificates in a few days—one especially from a young lady who has been confined to her room twelve months, with a disease of the head, affecting the brain.

Respectfully yours,

E. W. HALL.

Dear Sirs: I am happy to inform you that this day finds me in the enjoyment of good health, by the use of your Hampton's Tineture and the blessing of God. Mortimer & Mondray: Geuts: Last September I was attacked with erysipelas, from which a dreadful ulcer formed on my right leg. Getting better of this, last November I took a deep cold, which led to what my physician told me was billous pleurisy, which left me with a constant, deeply-seeted, and painful cough, having no rest day or night, and constantly throwing up from my lungs a thick matter. I became much emcated, growing weaker every day, and keeping my bed the greater part of the time. My friends thought I had the consumption, and at times I was also of the same opinion. At this stage of my disease, after having tried many and various remedies, without success, a friend advised me to try DR. HAMPTON'S VEGETABLE TINC-TURE, and procured me a bottle, which I now pronounce advised me to try DR. HAMPTON'S VEGETABLE TINC-TURE, and procured me a bottle, which I now pronounce the greatest medicine I ever took. Before I had taken haif the contents of one bottle I felt much improved; and now, having taken but two bottes, my cough and pains have en-tirely left me, and I am enabled to attend to business. I can truly say that, with the blessing of God, I have been restored to the health I now enjoy by the use of this most invaluable medicine. Yours,

Messrs. Tyler & Adair: I have been afflicted with Rheumatism, at times, from my twelfth year; I will be fifty years of age the 18th of this month; the attacks were at times so severe as to render me helpies; I have tried various remedies to very little effect. Last October I was attacked in my shoulders, sides, back, and hips; I could not rest, day or night; I could not move any part of my body without crying with pain; at this time I also tried many remedies, internal and external, without receiving any rolief; I was at last advised to try HAMPTON'S VERETABLE TINCTURE; before I had taken one bottle of which I felt much better, and as I continued taking it I felt strength coming into my back and limbs, and my stomach strengthened and revived every way; I have taken five bottles, and am much better than I ever expected to be.
